## What happens at a workshop?

- A short presentation will start each workshop. It is a time to meet in small groups to talk about your research and your interest in Germanic genealogy.
- Knowledgeable GGS members will be there to: -Answer your questions -Help you get started on your research -Offer suggestions to break down your brick walls

- Offer assistance in finding your ancestral villages on maps
- Offer assistance with your research in the library -Show you how to use the online catalog for the GGS collection housed in the Concordia Library

- You will meet other people who are interested in the same Germanic areas as you.
- Atlases and laminated maps will be available for your use.

- You will be able to learn more about GGS and what it has to offer.
- Back copies of the GGS Journal containing articles for the area highlighted in the workshop will be available for sale at a reduced cost.
- First-time membership in GGS will be offered at a reduced cost.
- The Beginner's Guide to Germanic Genealogy and the Germanic Genealogy 3rd Edition will be available for sale. Both of these books are published by GGS.
